

Discover Microsoft Teams Rooms

Turn any room into an easy-to-use and inclusive meeting space where everyone can fully participate from anywhere.

Inclusive

Flexible

Easy to use for all

Secure and managed

Simplified licensing to power your hybrid meeting rooms

Microsoft Teams Rooms Pro (\$40 / device / month)

Microsoft Teams Rooms Pro provides advanced meeting experiences that are better optimized for hybrid, advanced security, granular management controls, and rich reporting and analytics.

Advanced hybrid meeting experiences like inclusive layouts, intelligent audio & video, and branding customizations.

Remote management, bulk actions, real-time device, and meeting analytics.

Enterprise-grade security with Microsoft Defender for Endpoint and IoT.

Get new features and optimizations (e.g., device settings, remote factory reset, etc.) focused on improving the productivity of the users and admins via periodic updates.

Microsoft Teams Rooms Basic (\$0 / device / month)

Microsoft Teams Rooms Basic provides core meeting and conferencing functionality for up to 25 devices, as well as essential security and management capabilities.

Collaborate with your team, no matter where they are, with core hybrid meeting experiences.

Instantly join meetings and share content with one touch join and wireless sharing.

Cultivate real-time collaboration in every meeting, for every attendee, with a shared digital canvas accessible from any device.

Microsoft Teams Rooms Basic vs Pro feature comparison

	Microsoft Teams Rooms Basic \$0 per device per month	Microsoft Teams Rooms Pro \$40 per device per month
